

TIGER-I

SUPER FLEXI-BEND SM FIBER PATCH CORD

Next Generation FTTH Patch Cord

No kinking

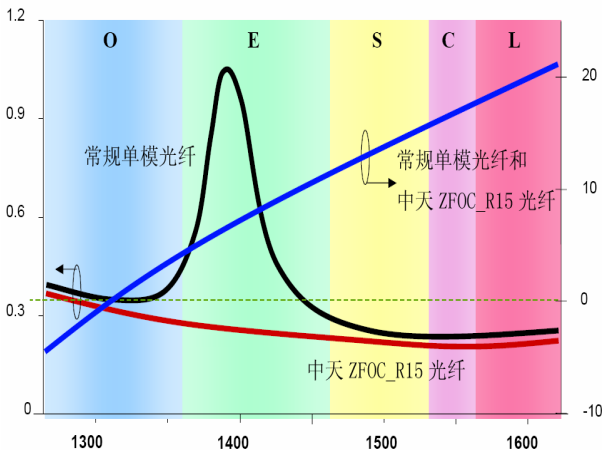

Features

Flexible & Low Bending cable for FTTH ONU connection

- Good Crush Resistance for side pressure
- Small bending radius <15mm
- Kink free and flexible

Specifications

Fiber	1 x SM
Diameter(mm)	4.0
Tensile Strength(N)	300
Crush Resistance(N/10cm)	5000
Connector	SC/PC SC/APC
Standard Length (M)	2, 3, 5

Same performance as singlemode fiber
